Chartered Accountant

Pay and Benefits: Salary \$75,000 to \$115,000 depending on experience

We have a full time position for a Chartered Accountant with 3 to 5 years' experience, working to a high level.

We are looking for a CA to join our team with:

- three to five years of public accounting experience or advanced commercial experience
- ability to undertake compliance accounting work and management reporting to a high level
- experience supervising and reviewing the work of others

You will have...

- excellent communication skills including high competency with computerised systems
- a drive to develop and meet new challenges
- the ability to plan your time well and meet deadlines
- enjoyment of a variety of work, with a variety of people

We will support you with...

- opportunities for professional development
- interesting and varied work
- a dynamic, modern and progressive working environment

This is a full time position.

Applicants for this position should have NZ residency or a valid NZ work visa.

Please send your CV and letter of application to:
cushla@tandemgroup.co.nz.
